

At the beginning of the day, we had a trip by the bus to go to the nature.

First stop ! we made a little trekking in the Kourtaliotiko Gorge. Such a beautiful place !

Next stop : Preveli Foinikodasos. We discovered the local forest, picnic and a little bath in the Mideterranean sea !

Back to Rethymno we had a free time during the afternoon to get dress for the party. I had the chance to discover the Church of Four

Martyrs with my correspondent Katerina.

We did a little party at school all together, with of course, the discover of the Cretan dance !
